

Private Sessions for Paint and Sip with Netty

Bring your group together for a relaxed and fun creative experience with me!

A private session is a fabulous way to share time with your group. I tailor my paint and sip events to suit what you've got in mind - whether it's a private celebration or a corporate team-building adventure.

No previous painting experience is needed. Participants are guided step-by-step through a selected artwork while enjoying a welcoming and pressure-free atmosphere.

Choose from my full Paint and Sip with Netty artwork collection. Sessions run for approximately 2.5-3 hours, allowing plenty of time to create a finished painting and enjoy the experience together. Shorter sessions can also be discussed.

All materials are supplied, including canvas (or planks), paints, brushes, aprons and guided instruction - as well as music to set the mood.

Registration and booking can be organised however it works for you - either with individual registration or as a lump sum. I have a booking website and I provide all the materials for digital promotion and hard copy posters.

We'll need access to the venue for setup for one hour before the party and for half an hour afterwards to pack down.

Tables are best set up in long rows with the ends facing towards me doing the demo up in front. That way, everyone need only turn their heads to see and no-one has their back to me.

Whether you're having your session at your business or at a public venue, you need to provide the tables and chairs and shelter. We bring everything else we need.

Plank Art is different

For Plank Art, everyone is doing their chosen design and not following along with a single painting. Instead of teaching from up front, I go around to each person to guide them as they paint (as much or as little as they wish). This means that Plank Art can be set up in pretty much any way it works in the venue. It's a great option for some businesses or homes because people can be scattered across a few areas.

You can choose the artwork! *(See the Artwork Guide)*

Cancellation and payment policy

A \$50 booking deposit is required to secure your event date and is deducted from the total booking cost.

Final numbers and full payment are due 7 days prior to the event date.

Deposits are non-refundable in the event of cancellation, as your booking reserves the date and preparation time. If you need to cancel or postpone your event, please contact us as soon as possible. Wherever practical, I'm happy to work with clients to reschedule bookings to another available date.

Minor adjustments to guest numbers can usually be accommodated up to a few days before the event, however significant changes may affect package pricing or minimum booking requirements. In the unlikely event that Art by Netty is unable to attend due to illness or unforeseen circumstances, all payments made will be fully refunded.
