

A fun and creative guided painting activity for kids aged 8 to 12

I'll bring the painting party to you!

Children are guided step-by-step to create their own canvas artwork in a fun and encouraging atmosphere, with plenty of room for creativity and personality.

No experience is needed and every child will go home proud of what they've created.

All painting and protection materials are supplied. I also bring a music speaker for any playlist.

Party theme could be:

- pirate or pirate ship
- fantasy creatures
- farm animals or scenes
- wild animals
- flowers, birds, butterflies
- machinery
- dinosaurs and more

I'll design a painting to suit your child's age, that they can do with my guidance.
(Please note: Disney movie characters etc are usually not easy enough for kids in party mode. I don't use stencils.)
