\$100 per hour beyond the minimum

INSURANCE & CHECKS

Performers Public Liability: \$30 million

Market Stall Public Liability: \$20 million

Working With Children Check: Yes

INVOICING

Final invoices are issued after the event, with payment on receipt where possible.

Prices do not include GST as I am not currently required to charge it.

SETUP NEEDS

Access

Please allow at least 30 minutes for setup (up to 1 hour is ideal) and 30 minutes for pack down.

Please advise in advance whether I will have direct vehicle access or need to trolley equipment in.

Also consider exit access if the event continues after my session.

Space

A small, level area of approximately 2m x 2m is required.

Shelter

A suitable shaded or covered area is required.

If needed, I can provide a gazebo for an additional \$40.

No other equipment (power, water, or furniture) is required.

HOW MANY FACES CAN BE PAINTED

As a general guide, I can paint around 10–15 faces per hour, depending on the designs chosen and the age of the children. Simpler designs allow more children to be painted.

I work to manage the queue so that I finish on time while ensuring those waiting are looked after.

I manage the painting process on the day, and ask that parents remain nearby for younger children where possible.

CANCELLATION POLICY

To secure your date, I take a \$50 booking fee which comes off your final invoice. This allows me to set the time aside just for your event.

Because many events are weather-dependent, I'm happy to reschedule or offer a credit if weather prevents the event from going ahead.

If you need to cancel for other reasons, I completely understand — just please give as much notice as you can. Cancellations with less than 24 hours' notice will forfeit the \$50 booking fee.

For same-day cancellations (not due to weather), the minimum call fee of \$280 is payable, as the time has been fully set aside and cannot be rebooked.

In the unlikely event that I'm unable to attend due to illness or emergency, all booking fees will be fully refunded or transferred to a new date.
